QPC Lasers, Inc (QPC) is a world leader in the development and commercialization of high brightness, high power semiconductor lasers for the industrial, defense, and medical markets. Founded in the year 2000, QPC is vertically integrated from epitaxy through packaging and performs all critical fabrication processes at its state-of-the-art high-technology facility in the Los Angeles suburb of Sylmar, CA. Information on QPC Lasers, Inc. products can be obtained from its web site: [www.qpclasers.com](http://www.qpclasers.com).

### **About MKR Group, Inc.**

The MKR Group is a boutique investor relations firm that specializes in the proactive representation of small-cap, micro-cap and pre-IPO companies across a broad spectrum of industries. MKR's signature approach combines in-depth knowledge of the financial markets, sector expertise and strong, long-standing relationships with institutional investors, sellside analysts, investment bankers and financial media. Through Wall Street-backed, experienced professionals, MKR focuses on the aggressive marketing of client companies to both the buy-side and sell-side. All aspects of the company's full-service investor communications programs are committed to achieving tangible results; MKR has a successful track record of enabling clients to raise additional capital and to achieve a broader base of investor ownership and research analyst sponsorship. See [www.mkr-group.com](http://www.mkr-group.com) for more information.

## Forward-Looking Statements

This release and other materials released by the Company from time to time contain or may contain forward-looking statements and information that are based upon beliefs of, and information currently available to, the Company's management as well as estimates and assumptions made by the Company's management. When used in the materials the words "anticipate", "believe", "estimate", "expect", "future", "intend", "plan" or the negative of these terms and similar expressions as they relate to the Company or the Company's management identify forward-looking statements. Such statements reflect the current view of the Company with respect to future events and are subject to risks, uncertainties, assumptions and other factors (including the risks contained in the sections of the Company's reports filed with the Securities and Exchange Commission entitled "Risk Factors") relating to the Company's industry, the Company's operations and results of operations and any businesses that may be acquired by the Company. Should one or more of these risks or uncertainties materialize, or should the underlying assumptions prove incorrect, actual results may differ significantly from those anticipated, believed, estimated, expected, intended or planned. Although the Company believes that the expectations reflected in the forward-looking statements are reasonable, the Company cannot guarantee future results, levels of activity, performance or achievements. Except as required by applicable law, including the securities laws of the United States, the Company does not intend to update any of the forward-looking statements to conform these statements to actual results. The following discussion should be read in conjunction with the Company's reports filed with the Securities and Exchange Commission.
